- **Group / College / School orders**

There are some discounts available for combined orders from groups, colleges and schools. Please contact Thermofax Screens for further details.

- **Gift Vouchers**

Gift vouchers can be ordered for any amount (GBP £). You will be supplied with a gift card and a unique code number. The vouchers can be redeemed both online (simply type the code number into the box at checkout) and by mail order (please quote code number and deduct value of voucher from the total).

- **Delivery methods**

UK orders will be sent by the most appropriate mail service. As a general guide, small orders will be sent First Class by Royal Mail to the UK and by Royal Mail Airmail to Europe and the rest of the world. Larger orders may be sent by Parcel Post plus insurance or by one of the carrier services. Please note tracking is not available with standard delivery. If you have special delivery requirements or wish to make a large order (eg 10 or more thermofax screens) please contact us.

- **Despatch times**

Orders will be processed and despatched as quickly as possible. Generally speaking, an order for ready-made screens will be despatched slightly quicker than an order for custom screens. Most orders will be despatched within 3-5 days of their receipt. All should be processed within 7 days. Delivery times will depend on destination.
